

GREENSBURG COMMUNITY SCHOOLS DISTRICT GOALS

“Think Opportunity”

Mission Statement

The mission of the Greensburg Community School Corporation is to provide and promote lifelong learning through its commitment to quality educational programs that prepare the students to be effective, successful, and responsible citizens. This is to be accomplished in a financially prudent manner.

Core Values of GCS

High Expectations- All stakeholders are working toward mastering or exceeding required goals using best practices.

Accountability- Stakeholders are responsible for utilizing and managing resources, making data driven decisions, and incorporating best practices into their individual work situations.

Shared Leadership- Stakeholders are collaborating and striving to achieve school and community goals through professional learning communities. Stakeholders include all parents, students, teachers, staff, administrators, school board, and community members.

Evidence-Based Decision Making- Actions will be based on documented research and proven best practices supported through objective data collection and analysis. All continuous improvement will be driven by the core values of Greensburg Community School Corporation.

Continuous Improvement- Stakeholders will persistently strive to advance by using research based assessment tools, current data results, and ongoing review in a never-ending effort for growth.

Social Responsibility- All stakeholders share an obligation to promote and enhance positive character traits, tolerance of differences, a commitment to safety; and global citizenship.

Alignment- Our school community will use all resources to implement the mission, vision, values, goals and strategies, to move in a unified direction toward an efficient and effective educational program.

Empowerment and Engagement of All Stakeholders- Students, staff, parents, and community will value each other and help them to take ownership of their roles in the

school community by setting appropriate goals in an environment in which everyone feels safe to express and share their ideas and innovations.

In light of the stated mission and core values of Greensburg Community Schools, the Board of School Trustees set the following goals:

- **Curriculum**

Provide academic programs to our students that are aligned with national and state standards providing learning opportunities to ensure their competitiveness in a global marketplace. The following goals will be addressed:

Provide rigorous content at all grade levels that culminate in increased success on the state standardized tests (3-10) and the SAT /ACT high school assessment. Compare GCS results to State Averages.

Improve growth in each cohort from the previous year.

- **Staff**

Provide ongoing staff development to promote student academic improvement.

1. Utilize collaborative time schedules in each building to gather and analyze meaningful instructional data. Make sure that all decisions being made at the building level are data driven, are made with input from the entire staff, and that a plan is initiated at the building level to address areas of concern.

Administer a yearly building climate survey to measure staff input concerning building issues and share those results in a faculty meeting for Building Level Discussion.

- 1 = Highly Effective
- 2 = Effective
- 3 = Needs Improvement
- 4-5 = Ineffective

2. Track the recruitment and retention of teachers and staff.

- **Finance**

Maintain a stable cash balance for the corporation through the continued use of sound budgetary practices:

1. Promote, practice, and show evidence of the prudent use of the community's financial resources in the Greensburg Community School Corporation.
2. Evaluate current health, liability, and workman compensation insurance plans to make sure they are cost effective and meet our current needs.
3. Maintain a cost containment plan to address deficit spending for 2019-2020 if adjustments need to be made.

- **Technology**

Technology at Greensburg Community Schools will support, enhance, or redefine curriculum at all grade levels through progressive and interactive resources.

In pursuit of this goal, the technology department will:

- Assist administration, staff, and students with training and support
- Support and encourage 21st Century learning within our district
- Provide and maintain a robust, reliable and secure infrastructure
- Maintain existing equipment and software and upgrade to current standards or versions whenever financially possible

- **Policy and Procedures**

Audit and maintain existing policies. Align policies, administrative guidelines and student handbooks at each building for congruence.

- **Public Relations**

Greensburg Schools realize the important role our community plays in the overall education of our students. We want to engage all facets of our community in this process by:

1. Centerstone offering on-site counseling to qualified students at each building.
