

Free At-Home Kindergarten Readiness Program

Waterford UPSTART is an in-home kindergarten readiness program for low-income families that will give your child a fun start in reading, math, and science in just 30 minutes a day 5 days a week.

FREE

Waterford UPSTART is a free computer-based program for children the year before entering kindergarten.

 Waterford UPSTART will provide a **FREE computer** (which you may keep upon completion of program) and Internet while enrolled in program (if you don't have it).

Personalized

Waterford UPSTART uses the award-winning software, Waterford Early Learning. It provides hundreds of hours of instruction with an individualized learning path which builds upon your child's strengths, knowledge and skills.

Each family is assigned a Personal Care Representative and a local Early Education Specialist.

Independent and Fun

This easy-to-use program makes it possible for your child to work independently and will capture your child's interest and imagination with engaging books, songs, and activities.

Waterford UPSTART is available to four year olds born between August 2, 2013 to August 1, 2014 and entering kindergarten in 2019.
